SUBJECT: (C) FM: EL SALVADOR AND OTHER CENTRAL AMERICAN
COUNTRIES MAY RECOGNIZE KOSOVO THIS WEEK

REF: STATE 17891

Classified By: Ambassador Charles L. Glazer, Reasons 1.4 (b) and (d)

(C) Ambassador Glazer raised reftel points with Salvadoran Foreign Minister Marisol Argueta during a meeting on February 12. Argueta told the Ambassador that she had advised President Saca to move aggressively on Kosovo recognition. She said, however, that the Salvadoran Permanent Representative at the United Nations in New York had persuaded President Saca to move more slowly. According to Argueta, El Salvador will probably announce its formal recognition of Kosovo in conjunction with Honduras and Guatemala at some point this week.
